MAP OF THE PLANET MAP OF THE PLANET

FOREMOST AMONGST THE PLANETS OF THE NETWORLDS IS MAILO MOTICO, HOME TO A PEACEFUL HUMANOID SPECIES WHO COMPULSIVELY EXCHANGE THINGS AND TIRELESSLY HUNT DOWN POST OFFICES. MAILO MEN LIVE IN ISOLATED COMMUNITIES MAKING PAPER PLANES AND VIRTUAL POSTAGE STAMPS FOR THEIR FRIENDS, THE ARBITERS OF RAY AND THE PALS OF THE POST AGE. MAILOES BELIEVE THAT THEY ARE THE CHOSEN SONS OF COMMUNICATION, PRECURSORS OF THE PRESENT ERA OF ELECTRICKERY.
